WORKING FOR

# JOB CREATION

"My staff and I are available to help you solve your state-related problems."

## DEAR BUSINESS LEADER,

Government does not create wealth; it consumes it. The cost of government is an overhead cost to taxpayers and business owners.

As a legislator, I have consistently fought to reduce and prioritize spending, reduce taxes and reform state government. Having private sector experience myself, I understand the importance of government needing to do more with less.

The Pennsylvania/National Federation of Independent Business Owners (NFIB) presented me with the Guardian of Small Business Award due to my 2009-2010 100 percent pro-small business voting record on issues including:

- **TAX POLICY**
- **LABOR ISSUES**
- **LAWSUIT ABUSE**
- **HEALTHCARE**

## WHAT CAN I DO FOR YOUR BUSINESS?

One of the responsibilities of my office is to act as a balance of power when dealing with bureaucratic obstacles created by the government. We can help you cut through the red tape of the over-reaching regulatory arm of the executive branch, if you are encountering problems with state agencies such as:

- Department of Environmental Protection
- Department of Revenue
- Department of Transportation
- Department of State
- Department of Labor & Industry

Please feel free to contact us to see how we may be able to help you. My office can provide you with information regarding:

- Not-for-profit assistance
- Clean Indoor Air Act
- State contracts and industry-specific resources
- Small-business guides
- Labor Law Compliance

*Representative Metcalfe accepts his Guardian of Small Business Award.*

## WHAT I CAN DO FOR YOUR EMPLOYEES?

If any of your employees have a state-related problem, affecting either their work or personal life, please feel free to direct them to my office. With our assistance to resolve state-related problems, they will improve their quality of life and you will experience a more productive work environment. My office can provide assistance on issues such as:

- Unemployment compensation
- Applications for higher education grants/loans
- Driver's licensing and motor vehicle issues
- Birth and death certificates
- State taxes, refunds, rebates
